NEMAA members get their say

Over 100 people attended an event held by NEMAA's Board of Directors on October 24th at Public Functionary to talk about recent changes to the organization's leadership, and plans for moving forward. Both NEMAA members and general NE community members weighed in with their concerns and frustrations, and also spoke on the importance of Art-A-Whirl and other sponsored events. NEMAA has said a survey to members is forthcoming.

The Northeaster Newspaper and the Star Tribune covered the meeting. There are two pages in the Northeaster that details the meeting.

Neighborhoods Need You!

Artists are a big part of NE. Most of us have lots of opinions about what we want the community to aspire to buy to make those ideas come to fruition we need to be more involved with the neighborhood groups. Neighborhood groups have been some of the most supportive organizations of artists since the beginning of the artists moving to NE. Please take a moment to consider attending their meetings and joining their boards or committees. Below are the contacts for each neighborhood.

Logan Park Neighborhood

Holland Neighborhood

Bottineau Neighborhood

of Arts District Planning

1. Continue to discuss who we are as a community.
2. Continue to define the vision of the next 10 to 15 years, in order to drive the decision making.
3. Start a framework on how we can finance the goals of the district. This goal is only possible to discuss if the other two goals can be met.
